DOING GOOD

Join The Common Good's *40 Schools & 40 Clubs for 40 Years* initiative and help fund life-changing research, equipment and patient care at The Prince Charles Hospital and Caboolture Hospital.

WHAT'S IT ALL ABOUT?

The Prince Charles Hospital Foundation, through its community and fundraising initiative The Common Good, is dedicated to supporting life-changing research, providing specialised equipment, and enhancing patient care programs at The Prince Charles Hospital and Caboolture Hospital.

As part of our 40-year milestone in 2026, we're inviting 40 Schools & 40 Clubs to join a special community fundraising initiative to support your local hospital. Whether you're a childcare centre, school, university or a local club, your community can rally together to raise funds that directly support patient care and vital medical research in your community.

WHY SHOULD YOUR SCHOOL OR CLUB JOIN US?

- **Local impact:** Funds raised stay in your community, helping families just like yours
- **Build empathy and leadership:** Your community members learn the power of giving
- **Team spirit:** Fundraising together strengthens pride and connection
- **Recognition:** Celebrate your school or club as one of 40 champions for community health

YOUR COMMITMENT

Each school or club aims to raise at least $2,000 in 2026 - achievable through fun runs, bake sales, gold-coin days or creative challenges. Fundraise your way, at a time that suits you throughout the year.
