Fundraising ideas

Create a challenge and promote to your network.
For example, "I'm walking 10,000 steps a day to raise money".

Host a silly sock, hat, hair or tie day at your work, sporting club or community group.

Organise a bake sale, donate the proceeds to your page, or collect funds directly with a QR code link to your fundraiser.

Collect donations at work and encourage your colleagues to contribute.

Run a car wash in your neighbourhood and with a 'raising money for charity' sign.
